What Do Colleges Need?

Help with initiatives:

- AB 705
- Guided Pathways
- Vision for Success

California Community Colleges | California Virtual Campus – Online Education Initiative

AB 705

- Often students will need additional support when placed in transfer classes.

- Online courses aligned with the OEI Course Design rubric have higher success rates.

- Services like online tutoring are embedded in classes.

California Community Colleges | California Virtual Campus – Online Education Initiative

Guided Pathways

- One primary goal is to reduce the time to degree (number of units).

- Students often wait for a capstone or GE course.

- Online course finder (Finish Faster Online) provides access to courses statewide.

California Community Colleges | California Virtual Campus – Online Education Initiative

Student Centered Funding Formula

Colleges still need enrollment, plus:

- Completion numbers

- Transfer numbers

- CTE certificates/unit minimum

California Community Colleges | California Virtual Campus – Online Education Initiative

Vision for Success

- Increase completion by 20%

- Increase state transfer by 35%

- Decrease average units for degree

- Reduce equity and regional gaps
