Workshop Materials

The League is doing its part to help reduce paper waste. Instead of printing speaker handouts that tend to end up in the trash, workshop materials can be found on our website at www.ccleague.org/STW19 under "*Workshop Materials*". You can access the documents on your computer or mobile device to view them during the workshop. Of course you may print them if you wish, prior to, or following the event.

We look forward to seeing you in San Diego!

Safe Travels!
